main entrance

## Giving Back

Linn Area Credit Union has a long-standing commitment to giving back to our community.

During the recent KHAK Radiothon, we presented a check to the Children's Miracle Network for \$25,177.69. The money was raised by staff and member donations, as well as fundraisers throughout the year such as our candy bar sales (*thanks to all our chocolate-loving members!*), employee jeans days (*yep, that's why you see us in jeans on Fridays*), and our annual CMN golf tournament. A huge thank you for your support in this effort to make a difference in the lives of children!

## Don't Leave Valuables in Your Vehicle

Car break-ins are on the rise in Linn County and the surrounding areas, according to local law enforcement. The break-ins are happening everywhere, from store parking lots to residential streets. (*People have even had cars in their garages broken into!*) Whenever you leave your vehicle, be sure to take your wallet, purse, and other valuables with you. Don't trust your trunk to keep them safe. (*The baddies will just break the car window and use the trunk release.*) **If your wallet, purse, or checkbook does get stolen, contact us immediately at (319) 892-7300** so we can take the necessary steps to protect your accounts.

## A Reminder for Christmas Club Account Holders

Are you ready to start shopping for the holidays? It seems impossible, but Christmas will be here before we know it! If you've been planning ahead by putting money into a Linn Area Christmas Club account, the balance (as of October 31) will be automatically transferred into your regular savings account on **November 1, 2017.**

If you don't have a Christmas Club account, stop by one of our branches and we'll get one set up lickety-split!

Here's how it works: Decide how much you want to save and then make deposits by transferring money from your checking or savings account via eBranch or at one of our branches. *(We suggest setting up an automatic transfer to occur on each payday! Soooo convenient!)* Every year in early November, we'll transfer the accumulated holiday savings *(plus dividends! Yayyyyy!)* to your regular savings so you can hit the stores.

We couldn't make it any easier for you unless we actually did the shopping, too. *(We would totally do that... but why should we have all the fun?)*

### Holiday Hours

We will be closed **Saturday, November 11**, in observance of Veterans Day. We'll also be closed on **Thursday, November 23**, for Thanksgiving. Our trusty eBranch, Mobile Money, ART, and ATMs will be available for your banking needs!
