Rolling Out the NEW Teacher Store!

We're hittin' the road!

When the Teacher Store's original home next to Kathy's Pies suffered structural damage, the building owners decided not to make repairs. *(We get it.)*

We knew we had to continue the Teacher Store's mission, though – the store was too important to shut down. **So we reinvented the store as a mobile unit.**

Now we can bring supplies directly to the schools. (We plan on making several school visits this year!) We can also extend our reach to surrounding counties, making it easier for teachers in outlying areas to benefit from the store. Plus, our brand-new website at www.teacherstore.org should be up and running by early October.

As always, teachers can earn Teacher Bucks by opening an account at Linn Area Credit Union, but we'll be introducing a variety of fun, different ways to earn Teacher Bucks as well. Linn Area Credit Union is proud to be able to continue our support of educators in our communities. *(After all, we were originally the teachers' credit union!)*

Our Mission

The Teacher Store supports our communities by providing free classroom materials and supplies to area K-12 educators and their students.
