Pay Your Credit Card Electronically

Are you still writing checks to make your credit card payments? **Let us introduce you to an easier way!** With our fully integrated credit card platform, you can now quickly make a credit card payment using our secure and convenient online and mobile banking services.

Here's how to get the job done in online banking: **Hover over the "Transfers" tab and choose the "Credit Card Payment" option in the dropdown menu.** You'll then be able to choose whether you'd like to make a one-time payment or a recurring payment. "Pay Now" lets you make a

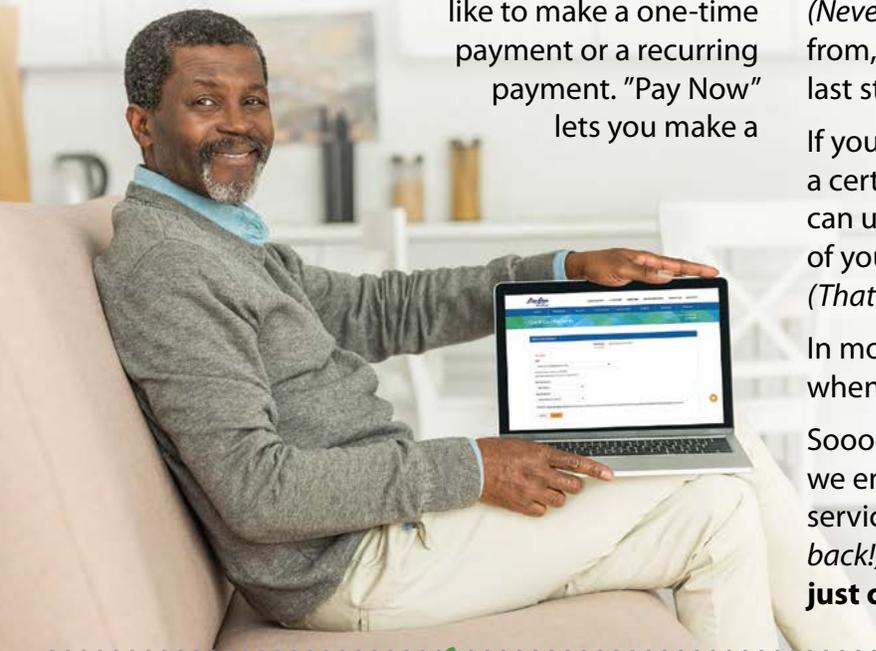

payment from an account at a different financial institution or from one of your Linn Area accounts. (If you pay with an external account, it could take up to three business days to post.) You may choose to pay the minimum amount, the last statement balance in full, the current amount due, or a custom amount. *(Super flexible!)*

If you go the "Automatic Payment" route, the payment will occur every month on the credit card's due date. *(Never a late a payment!)* You'll still have options to choose from, including paying the minimum amount due, the last statement balance, or a custom amount.

If you'd like to schedule a specific amount to be paid on a certain day other than the day your payment is due, you can use the "Transfer" function to transfer funds from one of your Linn Area accounts to your credit card account. *(That acts as a payment!)*

In mobile banking, you'll find the same functions when you tap the menu in the upper left corner.

Sooooo, if you're still paying your credit card with a check, we encourage you to try our online and mobile banking services instead! *(You may love it so much you'll never look back!)* **If you need a little help getting started, just call us at (319) 892-7300.**

Giving Back

Linn Area Credit Union has a deep-rooted commitment to giving back to the communities we serve. To help families hit hard by the derecho, we donated \$10,000 each to HACAP and the Salvation Army. The donations helped the nonprofit organizations provide food and other needed supplies and services in the Cedar Rapids area.

We are very honored to be able to help people meet their most basic needs in this challenging time.

Hello-o-o-o, Teachers!

If you're a K-12 teacher at a public or parochial school who also happens to be a Linn Area member, you're invited to **CU Wednesday!**

Come shop at the Teacher Store from 3 to 5pm at our Blairs Ferry Road branch on October 28. Due to the pandemic, items will be displayed on tables outside the truck. Social distancing and masks will be required.

When you get here, pop into the branch, show your teacher ID to an available teller, and give us your member number. **We'll give you 10 Teacher Bucks!** (Use them right away or save them for a future shopping trip!) Plus, if you **bring a fellow teacher who joins Linn Area Credit Union** during the event, **we'll give you another 15 Teacher Bucks.** (We have a special surprise for your teacher friend, too!)

CU Wednesdays are held only when school is in session.

For more information on Teacher Store happenings, visit www.teacherstore.org/events.

Update Your Contact Info

Have you moved lately? Or started using a different email address?

Make sure your personal information is up to date!

(We do need to reach you from time to time!)

Updating your contact info has never been easier, because it's totally DIY in online and mobile banking. Just log in, go to the "Manage" tab, and click on "Contact Information." *(We'll send you a verification code to make sure it's really you!)*

If you don't use our online or mobile banking services, give us a shout and we'll take care of it!

Holiday Hours

We will be closed on **Monday, October 12**, for Columbus Day. We'll also be closed on **Wednesday, November 11**, in observance of Veterans Day. Please use our online and mobile banking, ART, and the ATMs for all things financial on these days!

Christmas Club Reminder

If you've been planning for the holidays by putting money into a Linn Area Christmas Club account, the balance (as of October 31) will be automatically transferred into your regular savings account on **November 1.** *(Ready... set... shop!)*
