

Update

A few things we thought you'd like to know!

September 2021

Card Manager *is here!*

Now you can take control of your Linn Area credit & debit cards!

With our Card Manager app, you can:

- instantly turn your card off and on
- establish a limit for transactions. *(Any transaction over the amount you set will be declined.)*
- log your travel plans so your card isn't flagged for fraud
- set up alerts for transactions. *(Email, text, and push notifications... your choice!)*
- restrict online, international, and ATM transactions
- push your card information to a digital wallet. *(No need to add your card separately now!)*

Our ShopPING Card Protection service is now Card Manager, and it has fantastic new features that can help you prevent fraud on your Linn Area cards... and give you peace of mind. To download the Card Manager app, search for "Linn Area Credit Union" in the App Store® or Google Play. *(If you've been using ShopPING, it may already have auto-updated, depending on your device's settings!)*

Download the app today!

Card Manager sends notifications only for Linn Area Credit Union Visa credit and debit card transactions processed by the Visa network. If the merchant uses a non-Visa network, you will not receive a notification. Linn Area Credit Union does not determine the network merchants use to process transactions. In the Community

More than 50 Linn Area employees played in the Corridor Corporate Games this year! We finished 5th overall in Division 2, participating in 15 events total. We brought home our share of golds and silvers, and we had a lot of fun!

Larry Potter Retires

After more than 35 years in the mortgage business, 14 of which were spent as Linn Area's Director of Mortgage Lending, Larry Potter will retire this September.

Larry's willingness to mentor and train team members with limited to no mortgage background created an incredibly productive team with broad experience across the organization.

His optimistic, can-do approach, as well as his support of electronic initiatives, enabled the team to seamlessly process mortgages from start to finish remotely, even as the housing market was booming.

We'll all miss Larry's big ol' smile, his easygoing ways, and how he makes everyone feel like part of his family.

In retirement, Larry plans to spend time with his grandchildren and do a lot of cycling. *(He has completed 32 RAGBRAIs and is shooting for 50!)*

Congratulations on your retirement, Larry!

Did You Know?

Our All-In Checking Visa® debit card is a Rewards card, and you earn points with every purchase! *(It's been earning points since January, in case you didn't notice!)*

To see your Rewards points within online banking, simply log in. Your points will be in the left column of the home page. If you have a Linn Area Visa Platinum Rewards credit card, your combined points will be displayed.

Points can be redeemed for cash back or merchandise – you can even use them to **donate to select local nonprofit organizations!** *(Exciting stuff!)*

See You at CU Wednesday!

If you're a K-12 teacher at a public or parochial school who also happens to be an awesome Linn Area Credit Union member, you're invited to **CU Wednesday!**

On September 29, the fully stocked Teacher Store will be parked at our Blairs Ferry Road branch from **3 to 5pm**.

When you get here, pop into the branch, show your teacher ID to an available teller, and give us your member number. **We'll give you 10 Teacher Bucks!** *(You may use them right away or save them for a future shopping trip!)* Plus, if you **bring a fellow teacher who joins Linn Area Credit Union** during the event, **we'll give you another 15 Teacher Bucks.** *(We have a special surprise for your teacher friend, too!)*

For more information on Teacher Store happenings, visit www.teacherstore.org/events.
